Course Information

Certificate IV in Ageing Support assists aged care workers in further developing their skills by training students in more advanced skills through specialised course competencies and subjects. This certificate focuses more on subjects that improve your leadership and managerial skills – things that are necessary if you want to advance your career as an aged care worker by becoming a supervisor or team leader.

What does the course cover?

By pursuing this qualification you will learn industry skills such as how to -

- **Communicate and provide care and support to clients as required**
- **Creating individualised care plans and empower the frail and ageing people**
- **Support the independence and community participation of the elderly**
- **Providing companionship, friendship, and emotional support**
- **Implement a high standard of care service**
- **Apply safe work practices for the safety of others**
- **Support people living with dementia**
- **Provide care using a palliative approach**

Key Benefits

Nationally Recognised

The course is nationally recognised under the Australian Qualifications Framework, so you can use it as pathway to university qualifications around Australia. When you choose DP Training for your career development you only move forward. You can start with this qualifications to build career opportunities and pathway towards Tertiary Education.

Job Ready Training

At DP Training you get the opportunity to undertake practical-based learning and hands on experience via workplace-driven course content.
