CHC33015– Certificate III in Individual Support Ageing & Home and Community Care

CHC33015 Certificate III in Individual Support – Ageing & Home and Community Care

Course Information

This qualification reflects the role of workers in the community and/or residential setting who follow an individualised plan to provide person-centred support to people who may require support due to ageing, disability or some other reason.

Work involves using discretion and judgement in relation to individual support as well as taking responsibility for own outputs. Workers have a range of factual, technical and procedural knowledge, as well as some theoretical knowledge of the concepts and practices required to provide person-centred support.

Course Duration – 12 Months

Occupational titles may include:

- Support Worker
- Nursing Assistant
- Assistant in Nursing
- Care worker
- Aged Care Worker
- Personal Care Giver
- Personal Care Worker
- Personal Care Assistant
- Personal Care Attendant

This course is delivered via blended model which includes;

- Two days' classroom based training two days per week 8.30-4.30
- One day per week support with trainer 9.00-12.00
- Self-directed study
- Online delivery for two units of competency
- Vocational placement of 140 hours.
