CHC43315 Certificate IV in

Mental Health

CHC43315 Certificate IV in Mental Health

Course Information

This qualification reflects the role of workers who provide self-directed recovery oriented support for people affected by mental illness and psychiatric disability. Work involves implementing community based programs and activities focusing on mental health, mental illness and psychiatric disability. Work is undertaken in a range of community contexts such as community based non-government organisations; home based outreach; centre-based programs; respite care; residential services, rehabilitation programs; clinical settings; or supporting people in employment. Work is carried out autonomously under the broad guidance of other practitioners and professionals.

To achieve this qualification, the candidate must have completed at least 80 hours of vocational placement as detailed in the training package requirements.

Occupational titles may include:

- Outreach Worker
- Disability Worker
- Coordinator (Carer Peer Work)
- Coordinator (Consumer Peer Work)
- Community Worker
- Aged Care Activity worker
- Care Supervisor
- Leisure and Therapy Assistant

This course is delivered via blended model, predominately offered using electronic based delivery;

- Online delivery
- One day per month Trainer led workshops with trainer 1.00pm-4.00pm
- Vocational placement of at least 80 hours.

RPL

All learners will be offered the opportunity for Recognition of Prior Learning (RPL) assessment, who consider that they have and can successfully demonstrate that they have acquired through formal, non-formal and informal learning the required knowledge and skills specified in the training package. Learners may apply to have their knowledge and skills assessed via the RPL process and will be required to complete a RPL Application and the relevant RPL Assessment Kit.

VOCATIONAL PLACEMENT

Vocational placement is structured workplace learning; a vocational placement student log book is developed to support you to meet the requirements of all tasks to be completed during your placement. Vocational Placement is an important part of the program that has been designed for students to apply the theoretical knowledge gained in the classroom to a practical level in a workplace environment. This practical approach to learning will prepare students to ease into 80 hours of on the job training required to gain the qualification. All students undertaking vocational placement will be required to organise their own transportation to and from the vocational placement host organisation's facility.
