CERTIFICATE III IN COMMUNITY SERVICES

Begin your journey in the social sector with this foundational certification, which enables you to collaborate with your community and provide assistance to others while accelerating your ability to create a favourable influence in your locality.

Are you ready to take the first step towards a rewarding career in the community services sector and be the first point of contact to someone gaining the support to change the direction of their life?

In this course, you will learn to support and set up clients in community and social services sectors, navigate challenging interactions and respond to individual needs, manage wellness & safety in a work environment, and build relationships with community networks and services to provide support.

With hands-on training, industry-based assessments, and experienced industry professionals as your instructors, you will graduate from this course ready to take on the challenges of this dynamic and rewarding career.

Take advantage of this opportunity to launch your journey towards a meaningful and fulfilling career in community service.
